**DEPARTMENT ACTION ON APPLICATION IN DOCKET OST 2000-8221 - 2**  
(filed October 31, 2000)

Approved under assigned authority (14 CFR §385.13).

Date of Action: December 1, 2000

Director, Office of International Aviation

DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY

This action is subject to the conditions attached. Persons entitled to petition the Department for review of this action under the Department's regulations, 14 CFR §385.30, should file their petitions within ten days of the date of this action. This action is effective immediately, and the filing of a petition for review will not alter its effectiveness.

**(1) Application of United Air Lines, Inc., for a Statement of Authorization to display “MX” designator code of Compania Mexicana de Aviacion on flights operated by United (U.S.-Canada) (Blind Sector) (Docket OST-2000-8221) (filed October 31, 2000)<sup>1</sup>**

**(2) In the matter of authority for Compania Mexicana de Aviacion under 14 C.F.R. Part 216 (sua sponte) (Mexico-U.S.-Canada) (Blind Sector)**

The authority granted is subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) United and Mexicana continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share agreement providing for the code-share operations remains in effect.
- (b) United and/or Mexicana must notify the Department (Office of International Aviation, Room 6412) by letter, no later than 30 days before they begin any new code-share service under the blanket code-share services authorized here. Such notices must be filed in Docket OST-2000-8221.
- (c) United and/or Mexicana must promptly notify the Department (Office of International Aviation) if the code-share agreement providing for the code-share operations is no longer effective or if the carriers decide to cease operating all or a portion of the approved code-share services. Such notices should be filed in Docket OST-2000-8221.<sup>2</sup>
- (d) The code-sharing operations conducted under this authority must comply with 14 C.F.R. Part 257 and with any amendments to the Department’s regulations concerning code-share arrangements that may be adopted. Notwithstanding any provision in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.*, the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the passenger; and that the passenger liability of the operating carrier be unaffected;
- (e) The authority granted here is specifically conditioned so neither United nor Mexicana shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions; and
- (f) We may amend, modify, or revoke the authority granted at any time without hearing at our discretion.
